

R. H. Cardwell, after which the joint session will be dissolved.

It is imperative that all visitors shall keep their seats until the Senate has passed out, and the sergeant-at-arms has been instructed to strictly enforce the order.

The two houses will resume their separate sessions and Lieutenant-Governor Elyson will make a brief address to the Senate. The prayer with which he will preside is made from words taken from the old Jamestown Church and which was presented him by a friend.

Admission to the floor of the House will be only by card, and one row in the gallery will be reserved for invited guests who fail to find seats on the lower floor.

Outside of the first row, the gallery will be open to the public at 10:45. Each member of the Legislature is entitled to one guest, to whom he will issue a ticket.

Judges from out of the city are requested to apply to the clerk of the House for their tickets.

Gold pens have been provided, with which the two officers to be sworn in will subscribe their oaths, and there are also new Bibles to be used on the occasion.

Provision has been made in the House hall for the seating of about five hundred persons. Perhaps ten times these many will desire admission. The question of holding the ceremonies on the southern porch of the Capitol was considered by the committee, but it was thought best that they should take place inside.

From 2 o'clock to 4 P. M. Governor Swanson will entertain State officials, city officials, members of the Legislature and such others as may desire to call at the mansion. Light refreshments will be served. From 5:30 to 11:30 P. M. Lieutenant-Governor Elyson will give a reception at his residence, No. 10 East Franklin Street in honor of Governor Swanson, and a large number of public men have been invited, and will attend. The hours of Lieutenant-Governor Elyson's reception have been lengthened to afford the fullest opportunity for attendance.

#### Long List Expected.

Many people of prominence from different parts of Virginia and from other States will be here. Mr. and Mrs. John S. Swanson and Messrs. William A. Henry Swanson, of Danville, Va.; Mr. and Mrs. Henry Bohmer, of Philadelphia; Mr. and Mrs. J. Taylor Elyson, of the city; Mr. Douglas Deane, of Atlanta, Ga.; Mr. F. H. Deane and family, Mrs. Dabney Carr, Miss Anna Deane Carr and Miss Anderson, of Alexandria, Va., will be among the immediate members of Mr. and Mrs. Swanson's families, who will attend the ceremonies at the Capitol. Mr. and Mrs. Frank T. Crump, Mr. and Mrs. E. D. Hotchkiss and family and Miss Hotchkiss, of the Lieutenant-Governor-elect and Mrs. Elyson's families will also attend.

#### Some of the Ladies.

There will be a throng of ladies from representative Richmond and Virginia families among them. Mrs. Mary Deane Montague, wife of Governor Montague. On account of Mrs. Swanson's mourning, only gentlemen will go to the Mansion this afternoon. The reception to be given by Mr. Elyson will be largely attended and will be one of the most brilliant events of its kind in the history of the city. The entire lower floor of the Elyson home will be canvassed in white.

## WITHOUT INCREASE IN WAGES, NO AGREEMENT

(By Associated Press.)

INDIANAPOLIS, IND., January 31.—John Mitchell, president of the United Mine Workers of America, addressing the joint session of the Central Conference District today, said: "The miners must get an increase in wages or there will be no agreement."

In his ultimatum to go to the operators, President Mitchell did not mention any percentage of increase. It is generally recognized that his statement is backed by the almost unanimous sentiment of the miners' delegates and that the minimum increase that would be accepted without a struggle will be 5.5 per cent, which was the amount of the decrease in wages two years ago. The operators' decided in their caucus to "stand pat."

"We will not grant one mill a ton advance directly or indirectly," said an operator after the meeting.

## COURT-MARTIAL WILL ADJOURN FOR TWO WEEKS

(By Associated Press.)

ANNAPOLIS, MD., January 31.—At today's session of the court-martial, Lieutenant C. S. Bookwater addressed the court in behalf of Midshipman Richard J. Desautelle, who was on trial. He called attention to the fact that in 1891, seven midshipmen had been convicted of hazing under the act of 1874 and sentenced to receive demerits, confinement and other penalties less than dismissal. Lieutenant Bookwater called attention to the exceedingly moderate nature of the hazing proved to have been committed by Desautelle, and asked that if the accused should be found guilty, that there should be a recommendation of clemency to the reviewing authority. The court then took the case.

The court later took up the case of Midshipman William T. Boyd, Jr., of Florida, Ill., a member of the second class. Boyd chose to exercise the right of defending himself. It was announced that when the trial of Midshipman Boyd has been finished, the court-martial will adjourn for a period of about two weeks.

## ROGERS NEED NOT SHOW MISSOURI

Vice-President of Standard Oil Company Removed From Hadley's Fire.

(By Associated Press.) NEW YORK, January 31.—A decision that Henry H. Rogers, vice-president of the Standard Oil Company of New Jersey, shall not be compelled to answer the questions which he recently refused to answer in the taking of testimony here in the case of the State of Missouri against the Standard Oil Company, of Indiana, and other oil companies, was handed down today by Justice Gilder in the Supreme Court. The application to compel Mr. Rogers to answer the questions was made by Attorney General Hadley, of Missouri. The companies affected in this case are the Standard Oil Company, of Indiana; the Waters-Pierce Oil Company, and the Republic Oil Company. The State of Missouri seeks to prevent them from doing business in Missouri.

The application was denied for the reason that in Justice Gilder's opinion the court of original jurisdiction in Missouri should determine the question raised by Mr. Hadley. Leave to renew this application was granted Mr. Hadley.

## MEMORIAL MEETING IN HONOR OF GEN. WHEELER

(By Associated Press.) WASHINGTON, D. C., January 31.—A big memorial meeting in Atlanta on February 25th, in honor of the late Joseph Wheeler, and which will at the same time furnish the occasion for a reunion of the men who wore the blue and the gray, was planned at a meeting here today of Camp "A," Wheeler's Cavalry, of Atlanta, Ga. At this meeting it is proposed to have President Roosevelt and the commanders-in-chief of the Grand Army of the Republic and Confederate Veterans and allied organizations, as well as the veterans of the Spanish war, present. "Corporal" Tanner, at the head of the Grand Army of the Republic, already has accepted the invitation, and later a delegation will be sent from Atlanta to Washington to invite the President. It is proposed that the matter of erecting a monument to General Wheeler in Arlington will be actively discussed at the meeting.

Before leaving for their homes to-day, the camp elected Colonel T. H. Jones, of Atlanta, chairman of the committee on arrangements. It was stated that the intention to hold the memorial meeting was explained to the members of General Wheeler's family, and that it was approved by them.

## PATTERSON PATS THE PRESIDENT

Democrat Thinks Roosevelt is Doing More for Masses Than Parker Would Have Done.

## FIGHT WITH MONEY POWER

Colorado Thinks Efforts Only Equalled By Jackson—Knows South is With Him.

(By Associated Press.) WASHINGTON, D. C., January 31.—In the Senate to-day Mr. Patterson strongly endorsed the position of the President in Santo Domingo and in the matter of the Moroccan conference. He said that he was sorry to differ from the Democratic colleagues, but that he felt it his duty to do so in these matters. He also expressed absolute confidence in the patriotism of the President, and in his good faith in announcing his determination not to again be a candidate for the presidency.

The remainder of the session was devoted to a debate on the shipping bill. Speaking of the Dominican question, Mr. Patterson said that it involved the Monroe Doctrine, and that there was no occasion for division on party lines on that question. He said that he confessed to a very friendly feeling towards the President due to his record he had made as a statesman and citizen.

Not only had the President done much to annihilate sectional prejudices, but he had done many things to commend him to Democrats.

"I doubt," he said impressively, "whether if the Democratic party had succeeded in electing its candidate in 1904, we would find him striving as earnestly, as zealously and as fearlessly in sustaining the rights of all the people against those who unite to oppress the masses, as is the present chief executive."

For three or four years, he said, the President had been carrying on a struggle with the money power, the like of which had not been known since the days of Andrew Jackson. He believed the west to be behind the President in his stand and he added the opinion that if the real sentiments of the people of the South could be ascertained, they would be found also to be favorable to the President.

The Senate adjourned until to-morrow.

## J. G. McCUNE WOULD SUCCEED ALLEN

Celebrated Author of Schoolgirl Flirting Bill After Western District Marshalship.

(From Our Regular Correspondent.) WASHINGTON, D. C., January 31.—Former State Senator J. G. McCune, of Frederick county, who achieved national notoriety a few years ago while a member of the Virginia Senate by introducing a bill to prohibit flirting with school girls, is a candidate for the position of marshal of the Western District of Virginia, to succeed S. Brown Allen. McCune has always been a Republican, at least he has been that for years. This makes three applicants for the place, State Senator Noel and Marshal Brown Allen being the other two. The Noel people claim to be confident of success. Representative Lamb has introduced a resolution providing for the surrender of captured Confederate flags to the Southern Historical Society of Richmond. The resolution refers to the flags which have not been identified, about twenty-

The House has passed and the Senate Committee on Military Affairs has reported favorably a bill to give a pension of \$20 a month to the two surviving captains of the Mexican war, "Tom" Todd, of Shelbyville, Ky., and Phil Thompson, of Harrodsburg, Ky.

als, showing that the beef packers practically made their own rates; the Standard Oil Company had dictated in the same manner; poultry, fruit and dairy produce were subject to the same condition. Mr. Bartlett said the railroad had appealed to the Constitution to escape regulation by the States, and were now appealing to the same document to escape Federal control. He limited the credit due the President, saying: "While it is true the President, in two messages, has urged legislation of this character, he is not entitled to the credit of having originated the proposed legislation." Citing an instance of where a representative of a corporation snapped his fingers at the courts in New York recently, Mr. Bartlett asserted that this general disregard of the law must be stopped. The argument that regulation of rates would work hardship to the railroad employees, he believed, was not based on good foundation. On this point he declared the railroads had within the past six years increased freight rates 52 per cent, and had not raised the wages of employees.

The House adjourned until to-morrow.

## When You speak of a "ten-cent cigar" you mean a cigar that costs you ten cents.

This same cigar is to the manufacturer a "40 per M." or 4c. cigar; to the jobber a "50 per M." or 5c. cigar, and to the retailer a "60 per M." or 6c. cigar.

Intrinsically, that cigar is worth as much when the manufacturer appraises it at \$10 per M., as it is when the retailer hands it over his counter as a "ten-cent straight." The difference between 4c. and 10c. is what it costs to get the cigar from the manufacturer to you along the old-fashioned tripe turnpike with three toll-gates.

Now, suppose you go to the maker of your cigars and say to him: "Sell me my cigars at wholesale, and I'll take them home myself across lots."

"Oh, no," he will reply; "that wouldn't be fair to the retailer who has bought my cigars to sell at retail price."

I am a maker of cigars who has never sold a cigar to a jobber or retailer to sell again. Hence I am under no obligations to "the trade." I invite the patronage of the man who objects to paying for the privilege of allowing a retailer to sell him a cigar—who wants to buy his cigars at cost, without the arbitrarily added expenses of the jobber and retailer. To prove that I actually do sell my cigars at wholesale prices, I offer them under the following conditions:

MY OFFER IS: I will, upon request, send one hundred Shivers's Panatela Cigars on approval to a reader of The Times-Dispatch, express prepaid. He may smoke ten cigars and return the remaining ninety at my expense, if he is not pleased with them; if he is pleased, and keeps them, he agrees to remit the price, \$5.00, within ten days.

The fillers of these cigars are clear Havana, of good quality—not only clear, but long, clean Havana—no shorts or cuttings are used. They are hand-made, by the best of workmen. The making has much to do with the smoking qualities of a cigar. The wrappers are genuine Sumatra.

## ANOTHER NASTY SHEET RUN DOWN

Publisher of "Around Town" Gives Himself Up to Police at Kingston, N. Y.

(By Associated Press.) KINGSTON, N. Y., January 31.—Stephen H. Abbey, for whose arrest a warrant charging criminal libel was issued to-day, surrendered himself to-night. He was arraigned before Recorder Groves and entered a plea of not guilty.

It is alleged that Abbey is concerned in the publication of a paper called "Around Town," which was issued in New York last week and mailed here. The paper contained what are declared to have been thinly veiled attacks upon the character of many men and women of prominence and articles ridiculing daughters of prominent families who have recently given social functions. The paper was issued without advertising matter and its object as yet unaccounted for.

Judge Roscoe Irwin, who received the papers from New York at his office in the City Hall, said to-night that they were already wrapped, stamped and addressed, in that he mailed them to various persons at the request of a friend who had written, asking him to do so, and stating that they contained only a few harmless jokes.

Abbey, in a statement, declares that Judge Irwin had nothing to do with the preparation, printing or publication of any articles contained in "Around Town."

## FOUGHT SEPARATION OF CHURCH AND STATE

(By Associated Press.)

PARIS, January 31.—Violent scenes occurred in many Paris churches this afternoon when government commissioners appeared to take inventories of the church property pursuant to the provisions of the law providing for the separation of church and State. In many instances the commissioners were unable to accomplish their tasks, crowds of fervent Catholics filling the edifices, some protesting vigorously and others chanting Psalms. At the Church of St. Roch the commissioner was ejected and chased along the street. The police arrived later, some fighting followed, and a number of arrests were made.

Similar scenes were witnessed at the Church of the Madeleine, Notre Dame de Plaisance, St. Augustine and other churches, but at the Cathedral of Notre Dame the inventory taking passed off quietly, the commissioner carrying out his duties with the clergy's assistance.

## KING CHRISTIAN LEFT A VERY SMALL ESTATE

No official announcement regarding the date of the funeral has yet been given out.

It is stated that King Christian left only a small fortune, amounting probably to less than \$250,000. The King

was exceedingly charitable, and gave large sums of money for the relief of the poor and to deserving institutions. King Frederick has issued a decree of amnesty, releasing many offenders.

It is equally clear in the pianissimo as well as the fortissimo effect, and has the most desirable quality of immense carrying power. Loud and clear, yet tempered to a delightfully soft and harmonious tone, the treble notes silvery sweet and singing, and those of the bass rich and melodious—a perfect combination of musical excellence.

The Piano will be on exhibition until February 6th, after which visitors will not be allowed to inspect it, this being necessitated by the tuning and regulating of the instrument before the concert.

BOSTON, January 31.—Ancient and Honorable Artillery Company, one of the oldest military organizations in the United States, was assailed at the State house to-day by speakers at a hearing before the Committee on Judiciary, on a measure which provides that the members of the company shall no longer be exempt from jury duty in Massachusetts.

The State branch, American Federation of Labor, is opposed to the present law exempting the Ancients, and wants it repealed, on the ground that the members of this military organization are not entitled to privileges which laboring men do not enjoy.

**CHICAGO, ILL., January 31.**—Isaac Henman, justice of the peace in the village of Harvey, twenty miles from this city, Michael J. Malone, an attorney, and Harry Nye, a private detective, were to-day found guilty of blackmail and sentenced to indeterminate terms in the penitentiary.

It was shown during the trial that the men had extorted \$2,000 from Rev. Lawrence A. Ehrhard, a Roman Catholic priest, in charge of the Church of the Epiphany, in Chicago.

Nye, carrying a warrant issued by Justice Hartman, called on the priest and threatened him with publicity in connection with serious charges, unless he paid him \$2,000. Rev. Ehrhard denounced the charges as utterly false, but, dreading trouble that would follow a refusal, paid over the money. The priest mentioned the matter to some of his friends, and the arrest of the men followed.
